CHS Scholars Program

In 2015 CHS will fund more than 200 scholarships to students enrolled in an agricultural-related program at partnering two- and four-year colleges and universities throughout the United States and Canada. Scholarship awards range from $1,000 to $2,000.

The CHS Scholars program is directly administered by our partner universities/colleges. Please contact their Financial Aid or College of Agriculture offices for application information.

Student eligibility
- Must be enrolled in his/her first year of study of an agricultural-related degree program.
- Students pursuing a STEM (science, technology, engineering, math) field of study with an interest in agriculture will be considered.

Application and selection process
- To apply, eligible students should contact the scholarship office of the partnering college or university (listed below) as application and award timelines vary.
- Several additional university/college partnerships in the U.S. and Canada are currently being reviewed. New partners for 2015/2016 will be identified by February, 2015.
- Scholarship recipients are selected by a university/college committee independent from the CHS Foundation.
