

Job Seekers Needing an Accommodation

CHS provides assistance for job seekers who require an accommodation in the job application process. This may include, but is not limited to, individuals needing assistance due to hearing, vision, mobility, or cognitive impairments.

If you are a job seeker with a disability, or are assisting someone with a disability, and require accommodation assistance to apply for a CHS job, please contact us through the email link below. Please include your contact information and specific details about your requested accommodation to support you during the job application process.

For Email requests: Recruiting@chsinc.com*

*The email address is reserved solely for job seekers with disabilities requesting an accommodation in the job application process. Please do not contact about the status of your job application.
